Dear Mr Font,

GEN/54777 - Library Donation

Thank you for your kind donation of a copy of *La repressió de l'austracisme* by Vicent Gil Vicent. I am pleased to accept this donation, which represents a valuable addition to the collections of the Library and Archive and will be catalogued and made available to researchers in our Reading Room.

I should stress that this book, like the vast majority of the library's holdings, will enter the working collection of the library, and not the National Maritime Museum's permanent collection. This means that, whilst it will be catalogued and made available to staff and researchers, we would not be able to formally guarantee its permanent survival in the Museum's care.

We are grateful for your interest in the National Maritime Museum.

Yours sincerely,

Stawell Heard
